

①

単語	音節とアクセント(赤字)	発音
KOALA	(ko·a·la) 3音節	[米]コウアラ, [英]カウアラ

母音(aiueo)のあるところで切れて、音節ができます。
 例えば、KOALAには母音が3つあります。だから、KO·A·LAと3音節です。
 アクセントは1つの音節の母音につきます。
 「コアラ」という名前は、オーストラリア原住民のアボリジニの言葉で「水を飲まない」という意味。ユーカリを食べて、その葉から水分をとっています。

My Very Eager Mother Just Served Us Nine Pizzas

Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto

Japanese pizzas often have toppings that you probably won't find in Italy.

"Mochi Mentaiko Pizza" is a unique Japanese creation featuring mochi (sticky rice cake) and mentaiko (spicy cod)

"Teriyaki Pizza" is another unique Japanese twist, featuring teriyaki sauce, chicken, and often topped with mayo and green onions.

It also writes about Japan

the influx of
 didn't have the

habit of removing their shoes indoors, there were many issues with people entering places with their shoes on. At that time, since there were no hotels, temples and shrines served as lodging facilities. Many tried to enter rooms with tatami mats while wearing shoes. This led to the

invention of slippers by a tailor named Tokuno Risaburo. He designed indoor footwear, which is considered the prototype of today's slippers. Initially, these slippers were meant to be worn over shoes.
