

HAPPY Valentine's Day

Valentine's Day is a day to say "I love you" to friends and loved ones. We celebrate it on February 14th. On this day, people give cards, candies, and presents. You can see many hearts and the color red.

People write kind words on Valentine's Day cards and exchange them. Some people make handmade cards. Sometimes, the cards come with candies or stickers.

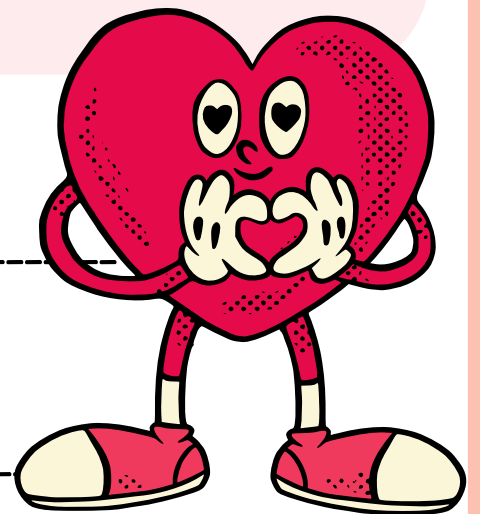

Families and friends have special meals together and eat cookies or cakes.

1. When is Valentine's Day?

2. What is a special color for Valentine's Day?

3. What do people give and get with sweet messages?

4. What treat comes with valentines?
