

The drawing builds up gradually.

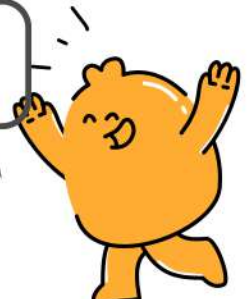

At the end, the word "flower" and the color illustration appear with a sound.

17 questions with 36 slides.

Comes with flashcards!

Materials

- Give each person a whiteboard and a marker.

Rules

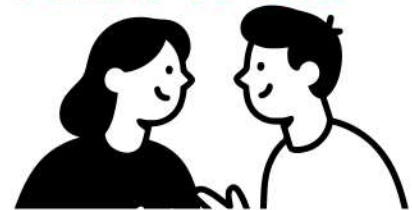

- Once you know the answer, write it on your whiteboard.
- Scoring for correct answers:
 - Answered after the first hint... 3 points
 - Answered after the second hint... 2 points
 - Answered after the third hint... 1 point
- You may rewrite your answer until Hint 3.
- No answer or a wrong answer earns zero points.
- The highest scorer is the winner!

Answer Check

- When things are running smoothly, ask students to chat with their partner before you give the answer.
- When the teacher says "What's this?", students hold up their whiteboard and answer "It's a ...". After the teacher gives the correct answer, each student records their points.

I think it's a flower.
I think so too!

One More Trick

Each slide has a cat hidden in it. Try asking "Where was the cat?" or show the illustration and ask "Where is the cat?"
